

INTERSTATE 10 INA ROAD TRAFFIC INTERCHANGE TO RUTHRAUFF ROAD TI PUBLIC MEETING STUDY

The Arizona Department of Transportation, in conjunction with the Federal Highway Administration and the Regional Transportation Authority in Pima County, invites you to attend a public meeting on Thursday, March 10, 2011. The purpose of the meeting is to introduce the alternatives, present information and obtain your comments, questions, concerns and suggestions. We are also evaluating the consequences of not making any improvements (no-build alternative).

THURSDAY, MARCH 10, 2011
5 to 7:30 p.m., Presentation at 5:30 p.m.
Tucson Chinese Cultural Center - Multipurpose Room
1288 W. River Road, Tucson, AZ 85704

At the public meeting, you will have an opportunity to view the alternatives, discuss individual and property-specific concerns with team members, and share your thoughts and opinions. A handout of the proposed build alternative will also be available.

The purpose of the project is to increase capacity and enhance safety on Interstate 10 between Ina Road and Ruthrauff Road. Proposed improvements will be evaluated in a Design Concept Report and Environmental Assessment. Potential improvements may include freeway widening; improvement of traffic interchanges and crossroads; possible grade separation of crossroads and railroad crossings at Ina, Sunset and Ruthrauff roads; and new bridges over the Cañada del Oro Wash and Rillito River.

For more information, to submit comments or to request special accommodations for individuals with disabilities, please contact the ADOT outreach team at 2540 N. Tucson Blvd., Tucson, AZ 85716; phone: 520-327-6077, ext. 110; fax: 520-327-4687; or e-mail: lucy@gordleydesign.com.
